A PCC MISSION MOMENT: March 8 - International Women’s Day

Deeba teaches chemistry at a high school in Afghanistan, where cultural barriers frequently limit opportunities for women and prevent them from entering the workforce. While she has the support of her family, Deeba experienced challenges as a woman working outside the home. One challenge was the lack of training she received in educational methods, making it difficult to teach her lessons. Thanks to a Presbyterian World Service & Development program that supports training for teachers in Afghanistan, Deeba is participating in workshops to help her improve the quality of lessons for her students. Because of this program, she is inspiring students to reach their full potential and setting examples for women. “I can feel the respect for myself in my students’ eyes.”
