FINANCIAL NEWS UPDATE: CURRENT TO * DECEMBER 12, 2022 *****

Thanks to all who were able to respond to our Thanksgiving financial appeal. St. Paul's current fund for day-to-day costs is in much better shape than it was three months ago. Through December 12, your current fund donations are just over \$175, 000. The average of the last three years was \$162,450. This is wonderful news. The not-as-good news is that we have still spent about \$12,615 more than we have received (deficit). So, thank you, and as you are able, a regular schedule of donations helps to avoid “emergencies”.
