ST. PAUL'S VACATION BIBLE SCHOOL **July 17 – 21, 2017 from 9:00 AM to Noon** ***"Kids Can Live Upside Down!"***

Sign-up sheet for volunteers is available in the library.

As children hear stories about Jesus and how he related to people, they will explore ways to live as Jesus did. Caring for the outcast might mean sitting with someone who doesn't have many friends. Loving an enemy might be saying kind words even when the other person is mean.

Being one of "the least" may mean volunteering to do a chore that other people don't want to do.

When we live upside down, things look different!

We do the unexpected! We work toward a just, peaceful

and loving world where all people are welcomed and cared for.

Are there ways you can get involved in the preparations or the actual events of the days? Are there children or teens who you can encourage to attend? Older children and teens are engaged in helping, i.e. with the plans, crafts, and in the dramatic storytelling.

Please contact Janet Fulton, Judy MacIntosh, or the church office if you are interested . Thank you.
