NURSERY CARE OPTIONS AT ST. PAUL'S

Please remember that if you do have guests attend that require nursery care remind them that the traditional Nursery room (off the front of the Sanctuary)

is always available during regular worship services. As well, if parents need a quiet, private nook to take their infant during the service, there is corner in the Library designed just for them, with toys, books and a privacy screen for nursing mothers, if desired.

Sign Up Sheet for 2019 is now available in the library.

Our weekly time of fellowship at St. Paul's during coffee hour is very important to our congregation, as it offers a chance to catch up

with old friends, or perhaps welcome a new friend to the church.

If you would like to help, but are unsure of the process, please don't hesitate to call the office

(519) 426-1845 for more information.
