### **2019 OFFERING ENVELOPES**

If you aren't currently using a yearly set of envelopes, but would like a full set for 2019, please let Nancy know.

### **SMALL 10 PACKS**

For those who are currently on PAR, if you do **NOT** require a set, please let the office know.

### **OFFERING ENVELOPES NUMBER CHANGES**

Over time, we've developed a situation with many lower envelope numbers not being used, as people move away, for example. In an effort to make things more straightforward for the tellers who sort the envelopes each Sunday, and for record-keeping purposes in the office, we would like to start using some of these lower numbers again. Unless you object to receiving a different number, you will be getting a "new" lower number on your envelopes for 2019. This should only affect those who currently have a number higher than #175. For those individuals, please let the office know only if you wish to keep your current number. Thanks for your understanding.

### **CONSIDERING JOINING PAR?**

You may also want to consider joining the St. Paul's PAR program. **Pre-Authorized Remittance** is a once-a-month payment directly from your bank account to St. Paul's, in the same manner that many of us now pay utility bills like the phone or hydro bill. You can decide how much to donate and to which category you wish to direct those funds (e.g. Current Operating Fund, Presbyterian's Sharing, or the Heritage Maintenance Fund). You may change your donation at any time.

### **SMALLER "BOX" SET INSTEAD OF YEARLY SET?**

Some donors may not feel that they require a full 52 week box set of envelopes. If you think that this smaller option may be a better fit for you, just let the office know and we can get that organized.
