Hundreds of thousands are in need of immediate humanitarian assistance after Cyclone Idai made landfall in southern Africa on March 14. Widespread damage in Mozambique, Malawi and Zimbabwe has left many displaced and in need of food, shelter and water and sanitation services. The number of people in need continues to rise. Please continue to keep the people and communities affected by the cyclone in your prayers. PWS&D is accepting donations to help bring relief to those suffering in the wake of the cyclone. Please see the bulletin board for details.
