Prayers of the People:

Leader: Almighty God, you are **our** God, but there are times we feel like doubting Thomas, times when our faith feels distant, or is tested by the injustices in our society.

People: Give us confidence O God, to believe that Jesus is walking with us at all times.

Leader: We thank you for the many gifts you have given to us. We rejoice that The Presbyterian Church in Canada confidently engages in mission in the world. We thank you for the staff of the WMS, International Ministries, Canadian Ministries, Justice Ministries, and PWS&D who make the church aware of the places in the world where the gospel needs to be presented in word or in action.

People: We give thanks for the gifts and skills people have to provide such ministry.

Leader: We pray for our international mission staff, who work in partnership with ministries in Japan, Taiwan, Nepal and Malawi. We remember David McIntosh in Japan. We thank you for the creative work of Paul McLean in Taiwan whose specialty is Bible translation.

People: We give thanks for the gifts and skills people have to provide such ministry.

Leader: We pray for the Together We Can! projects of the Women's Missionary Society. We pray for the ministry in Haiti which is working to end gender-based violence. We pray for our friends at the Kenora Fellowship Centre. We are thankful for the new partnership with Tumakatana in Africa and prayer that it may flourish.

People: We give thanks for the gifts and skills people have to provide such ministry.

Leader: We pray for the ministry of the church as it reaches out to serve First Nations communities, especially as the church works to provide safe and peaceful place for healing and reconciliation.

People: We give thanks for the gifts and skills people have to provide such ministry.

Leader: We pray for congregations and presbyteries who are sharing with Canadian Ministries in new church development. We particularly think of the project at Dunnville Presbyterian Church in Dunnville, Ontario.

People: We give thanks for the gifts and skills people have to provide such ministry.

Leader: We pray for all the churches who provide assistance to refugees uprooted from their homeland and required to make a new way in our communities.

People: We give thanks for the gifts and skills people have to provide such ministry. We pray that we too will be open to opportunities to serve in our church and community. In Jesus name. Amen.

So we join our voices with the voices of people all around the world, praying the words Jesus taught us, saying, **OUR FATHER ...**
