BELLS OF PEACE: *On November 11th, at the going down of the sun, communities across Canada will mark the 100th anniversary of the end of the First World War with the ringing of 100 bells. St. Paul's will be participating in the bell ringing. After the bells fall silent, a lone bagpiper will play "Amazing Grace" at Governor Simcoe Square. Bruce Murray is that lone bagpiper. When you hear the bells toll and the piper play, take a moment to pause and remember all those who served and sacrificed.*

“What will I be doing as an elder?”

As an elder you look to Jesus for direction, striving to serve and lead the congregation to further the church’s mission and the reign of Christ in the world. It is important to take time to read the Bible and to pray, alone and with others.

Elders attend Session meetings where they participate in decision making related to the congregation. Often educational and devotional components are part of the agenda—a reminder that we are all lifelong learners, and that elders need God as much as anyone else.

In Session meetings, many voices are heard as elders participate in discussions about congregational matters. However, outside the meetings and for the unity of Session, elders speak with one voice. While the Session may regularly deal with sensitive and confidential matters in its meetings, on other matters it can communicate frequently and clearly with the congregation to keep everyone informed.

Being an elder is a spiritual calling that can be challenging, interesting and fulfilling. Elders use their God-given gifts to serve and strengthen God's Church, helping to lead it forward in its mission to announce the good news to the world.
