

**A PCC MISSION MOMENT: NURTURING GENEROUS GIVING**

The PCC's "Stewards by Design" conference helps congregations discover how to nurture generous giving and expand their ministry as they explore how stewardship is a spiritual matter concerned with all aspects of life. The Rev. Tim Archibald participated in the 2016 conference with a team from Kings Church in New Minas, NS. He shares, "The content has been most helpful and has been finding immediate application in our ministry here at Kings Church. Our team is most grateful for all of the time, effort and attention to detail that was offered—God has used it all for great good. We feel very encouraged."

## **PRESBYTERIAN RECORD**

The Presbyterian Record magazine has faithfully served the church in Canada for 140 years. The [recent decision](#) made by Presbyterian Record Inc. to cease publication of the Record as of December 2016, is a loss for the denomination. In order to continue facilitating communication within the denomination, and to build upon the Presbyterian Record's legacy, the Life and Mission Agency will begin publication of a new resource that will merge some of the news and features once covered in the Record with educational and informational materials produced by the ministries, committees, and agencies of The Presbyterian Church in Canada. While the frequency and focus will be significantly different from the Record's, the purpose of this new publication will be to further equip leaders, connect congregations and missions, facilitate communication, and highlight denominational work—strengthening our denominational ties across the country. Stay tuned for more information about this exciting new publication, available over the coming months.
